PHILIP MORRIS
(Barclay Patents - Switzerland)

Dear Jim:

After you left my office on Tuesday, Dr. Peter Boeckli called me, in response to the message I had left at his hotel. I relayed to him the substance of my letter.

He again said that he knew of no reason why his firm could not represent Philip Morris and FTR. He said that he plans to be in his office in Switzerland next Monday. He will double check to be sure that there are no conflicts, and he will let us know when he has done so.

Sincerely yours,

W. Edward Bailey
